Re: United States v. Sanjay Kumar and Stephen Richards
Criminal Docket No. 04-846 (S-2) (ILG)

Dear Judge Glasser:

As noted in the government's reply brief concerning the computer data-deletion issue, David Burg, the government's expert witness, is now performing additional testing in response to the defendants' forensic experts' claims. The government expects to receive a report summarizing Mr. Burg's additional conclusions in the early part of this week and to forward these conclusions, together with a statement of their relevance to the instant motion, to the Court and defense counsel by Friday, April 21.

Respectfully submitted,

ROSLYNN R. MAUSKOPF
United States Attorney
